Westerbeake 8 KW Generator

Two State Rooms w/showers, 1 queen size bed in each room, galley pedestal table turns into sleeping for two, adequate storage for cruising family, electric heads flush to holding tank.

Full galley with stove and refrigerator 110V & 112V microwave, seats six at a pedestal table, large fresh water tanks.

Twin Air Condition units (1 new in 08)

Salon with new couch recliners and twin chairs with foot stools. Nautical carpet in salon. Ice maker with dry bar. All teak interior excellent condition.

Fly Bridge w/ Auto Helm steering, Radar, Fruno Chart Plotter, VHF Marine Radio, AM&FM radio and disc player (new 09) Canvas two years old

Rear Cockpit, all teak with nautical rug on top, twin captain's chairs, lighting for night time partying.

All safety equipment on board

I have videos and pictures of this well maintained vessel. New Hydro Coat bottom paint applied May 2011.

All new Aluminum zincs installed. This is a fresh water boat for the past 10 years.

Moving to Fl and don't have space for this size Vessel. This is a great cruising style or live aboard yacht. It is a trawler style hull with a large keel that keeps it very sea worthy in rough water.

Asking \$76,000 will entertain reasonable offers of cash.
