Good Morning,

Mary & I as well as the D.R.Y.L. Officers hope that you, your members, and your family members are all well. 2020 was a very rough year for many and let us hope that 2021 brings us to a safer healthier time and brings us a little closer to being back to normal.

With that said, after a long hiatuses from gathering for our Delegates Meetings due to Covid-19, and the loosening of covid restrictions in the state of Penna., the DRYL Officers have decided to hold our May Delegates Meeting at Anchor Y.C. For those Delegates wanting to attend the doors of Anchor Y.C. will be open at 7:30PM for an 8:00PM meeting start. Please note that NO FOOD will be served. In accordance with CDC guidelines we are asking that masks be worn inside and social distancing still be followed for the safety of all attending.

FYI -

Yearbooks were to be given out at this meeting but I have been contacted by the printer and they will not be available on Tuesday. They will be in our possession by the end of the week and will be available and given out to those attending the Opening Days at W.P.B.A., W.E.B.C. and B.Y.C. this Saturday. For those that cannot attend the Openings over the weekend you will have your books delivered to you by me or someone with the group in in the very near future..

Thank you for time and for understanding our thoughts on the safety of our delegates and their families by not hosting meetings during the Covid-19 pandemic.

Take care, be well and hope to see you all soon.

OFFICERS

President

Paul Jusino
